

WELCOME  
CH-UH AND SEL  
PRINCIPALS

**Principals' Advanced  
Leadership  
Institute**

# Nuts & Bolts

- **Agendas are in your binders**
- **Morning/Afternoon refreshments are being shared with the Middle School Teaming Institute across the hall**
- **Lunch is 12:00-1:00 in the cafeteria (catered by Corky & Lenny)**
- **Rest Rooms are located directly outside this room and down the hall**

# PLEASE

- Set cell phones to buzz, stun, or any other setting that does not make noise

# Goals

Goals

- **Support Principals**

# Institute Objectives

- Learn from national experts how schools are succeeding to increase student learning.

# Institute Objectives

- Learn from national experts how schools are succeeding to increase student learning.
- Understand the power and scope of data analysis

# Institute Objectives

- Learn from national experts how schools are succeeding to increase student learning.
- Understand the power and scope of data analysis
- Use technology as a tool to collaborate

# Institute Objectives

- Learn from national experts how schools are succeeding to increase student learning.
- Understand the power and scope of data analysis
- Use technology as a tool to collaborate and a medium for further professional development
