

Principals' Advanced
Leadership Institute

Welcome Back

8/23/00

Day 1

Day1

Personal Reflection

Personal Reflection

- All kids can learn—it's the system that can't, but it must
- Data is important; how we use data is more important
- New Information Technology has a lot of potential to help all kids learn
- The top three items are all linked

What I Really Learned

What I Really Learned

Today's Schedule

- **8:15-9:45** Building a New Structure for School Leadership (Jeff & Amalia)
