

Co-Planner for Lesson: _____

Math Goals

*What are the **priorities** for student learning?*

*How will we **assess** student learning of the mathematics?*

Lesson Demands <i>What does the lesson ask students to do?</i>	Potential Barriers <i>What difficulties do we anticipate for students?</i>	Accessibility Strategies <i>What strategies will we use to meet students' needs? What are ways to build on their strengths?</i>

Co-Planner for Lesson: _____

Preparation & Implementation <i>What preparation is needed?</i> <i>How will we use the strategies during the lesson?</i> <i>With whom?</i>	Roles of Teachers <i>Who will do what during the different parts of the lesson?</i> <i>How will we divide the preparation tasks?</i>
